WAFT FIELD GUIDE TEMPLATE

Template System Demonstration

FEATURE SHOWCASE

WAFT TEMPLATE SYSTEM: FIELD GUIDE

This document demonstrates the Field Guide template, designed for operational manuals and survival guides.

WARNING

Field guides are critical documents. Follow all procedures exactly as written.

TEMPLATE FEATURES

- ☐ Two-column layout support
- ☐ Warning and caution boxes
- ☐ Equipment checklists
- ☐ Step-by-step procedures
- ☐ Rugged, practical aesthetic

USAGE EXAMPLE

- 1 Use `DocumentBuilder.field_guide()` or `generate_field_guide()`
- 2 Provide HTML content with template-specific classes
- 3 Customize series, number, classification, and metadata

FEATURE SHOWCASE
