Mit freundlichen Grüßen

Dr. Sarah Chen
Principal Research Scientist
Quantum Research Labs, LLC
Quantum Research Labs, LLC

Notes:

This invoice covers initial research consultation services provided to Mr. Justin Ross in preparation for the founding of Teleport Massive Inc. Services included comprehensive analysis of quantum teleportation research papers, feasibility assessment for scaling quantum entanglement systems, and technical architecture consultation for proposed quantum teleportation infrastructure.

All research findings and recommendations have been documented in the accompanying research foundation booklet. Payment terms: Net 30 days.
