

Drafting Package Demo

This document demonstrates the **drafting** package for Typst, which provides helpful functions for content positioning and margin comments/notes.

Basic Margin Notes

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do.

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aequaleamus.

Highlighted Phrases with Notes

You can highlight text and add a note at the same time.

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore.

Inline Notes

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do.

The default inline note will split the paragraph at its location

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do.

You can specify `par-break: false` to keep the note inline without breaking the paragraph

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do.

Custom Styled Notes

Caution: This is a custom-styled inline note with a yellow background and rounded corners.

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore.

Multiple Reviewers

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do. Lorem ipsum dolor sit amet, consectetur adipiscing elit. Lorem ipsum dolor sit amet, consectetur

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat.

Summary

The **drafting** package provides:

- margin-note:** Add notes to page margins
- inline-note:** Add inline annotations
- set-margin-note-defaults:** Customize default styling
- set-page-properties:** Configure page bounds for proper layout

Hello from the left margin!

This phrase is highlighted and connected to the margin note.

This note appears in the right margin by default

Notes automatically avoid collision when they would overlap

Custom stroke styling is easy to apply

Reviewer B says: Consider restructuring this paragraph

Comment from Reviewer A - This section needs more detail

Reviewer C: Excellent point made here!

- Automatic collision avoidance for overlapping notes
- Support for multiple reviewer styles

Package: drafting v0.2.2
