

DIGITAL RIGHTS MANIFESTO

OUR RIGHTS

In the digital age, we demand:

- Right to privacy
- Right to encryption
- Right to anonymity
- Right to data ownership
- Right to digital freedom

THE FIGHT

We will not be surveilled. We will not be controlled. We will not be silenced. The future belongs to those who code it.

JOIN US

Resistance is not futile. It is necessary. Join the digital revolution. Take back your data. Take back your freedom.
