

The Pantheon: Higher Beings System

WAFt Gods • Timeless Forces that Bind Reality Together

Abstract

The Pantheon houses Higher Beings (Gods) as Aspects of Creation, following "as above, so below" principles from the spiritual cosmology. This document catalogs all Pantheon entities, their responsibilities, abilities, and current operational status.

1. Introduction

Pantheon Entities are Timeless Forces that Bind Reality Together. Unlike Beings (which are timeful, dynamic agents), Entities in the Pantheon are stable, maintaining fundamental structure until evidence collected by Beings proves change is needed.
