

Recipe: Simple Bread

Ingredients

- 500g flour
- 10g salt
- 7g yeast
- 350ml warm water

Instructions

1. Mix dry ingredients in a large bowl
2. Add water gradually, mixing until dough forms
3. Knead for 10 minutes until smooth
4. Let rise for 1 hour
5. Bake at 220°C for 30 minutes

Notes

The key to good bread is patience. Let the dough rise properly, and don't rush the process.
