

MIXED FORMATTING TEST

HEADING WITH **BOLD** AND *ITALIC*

Paragraph with **bold text**, *italic text*, and `inline code` to test various formatting combinations.

LISTS

- Unordered item one
- Unordered item two with **bold**

1. Ordered item one
2. Ordered item two

CODE BLOCK

```
function test() {  
  console.log("Testing code block");  
  return true;  
}
```

BLOCKQUOTE

This blockquote tests the cyberpunk styling with neon borders and glow effects.

Final paragraph to test spacing after blockquote.
