What Happened

On a critical hit, roll damage dice twice and add modifiers once.

The Capital City - The heart of the kingdom, where politics and power converge
Millbrook - A peaceful village where the campaign begins
Whispering Woods - Ancient forest filled with mystery
The Northern Mountains - Home to ancient temples and forgotten ruins
The Eastern Plains - Fertile farmland and trade routes.

The campaign features complex political relationships. Your words and actions have consequences. Choose your allies carefully.

We'll begin in the Village of Millbrook, where you'll receive your first quest. The local lord's son has disappeared, and you've been called upon to investigate.

Engage with the story - Ask questions, investigate, interact
Work as a team - Support your fellow adventurers Play your character - Make decisions based on your character's personality
Have fun - This is a game, enjoy it!

Create the world - Build locations, NPCs, and encounters Adjudicate rules - Make rulings on unclear situations Tell the story - Narrate events and describe the world Ensure fun - Make sure everyone has a good time.

Additional Details

If you have questions about character creation, the setting, or the campaign, don't hesitate to ask your DM. We're here to create an amazing story together!

Choose one of the following backgrounds or create your own:.

Aetheria is a diverse kingdom with several distinct regions:.

Not everything is as it seems. Clues are hidden throughout the world. Pay attention to details.

There are no purely good or evil choices. Every decision has shades of gray.

When two allies flank an enemy, both gain advantage on attack rolls.
