Memory Palace

Game Rules

****Memory Palace**** is a card game that tests memory and pattern recognition.

Setup

- Use a standard 52-card deck
- Deal 5 cards to each player
- Place remaining cards face down as draw pile

Gameplay

1. Players take turns playing cards from their hand
2. When a card is played, all players must remember the sequence
3. If a player can't recall the sequence, they draw a penalty card
4. First player to empty their hand wins

Special Rules

- ****Pairs****: Playing two of the same rank allows you to challenge another player
- ****Sequences****: Playing three consecutive cards gives you an extra turn
- ****Memory Challenge****: Any player can challenge the sequence at any time
