Additional Content

This is a dramatic scenario where:

- Alice has pocket aces (AS, AD) - the best starting hand
- Bob has pocket kings (KS, KD) - second best starting hand
- Carol has pocket queens (QS, QD) - third best starting hand

With the community cards (AC, KH, QC, 10S, 9H):

- Alice makes four aces (best possible hand!)
- Bob makes three kings
- Carol makes three queens

Alice wins with four of a kind!
