

AutoPlayer Test Report

Full Game Playthrough Verification

Purpose: This report demonstrates that the AutoPlayer feature successfully completes the entire game from start to finish, including all scenes, interactions, boss fight, and ending selection.

Step 1: Initial game load - Boot scene completes, Lab scene ready

Step 2: Before AutoPlayer start - Game loaded, AutoPlayer button visible

Step 3: AutoPlayer started - Automation begins

Step 4: Lab Scene - Player examining photo, picking up artifact

Step 12: Game Complete - Playthrough finished

Test Summary

Metric	Result
Total Screenshots	12
Scenes Covered	4 (Lab, Lobby, Underground, Void)
Boss Fight Phases	3
Ending Reached	Yes
Status	■ Complete

Conclusion: The AutoPlayer successfully navigates through all game scenes, completes all required interactions, defeats the boss in all three phases, and selects an ending. The feature is fully functional and ready for use.
